KPFK FOLIO

REPORT TO THE LISTENER

Sharon Maeda

Tis the season . . . and from all of us on the staff of KPFK-FM, a very special thank you for helping us through 1986. It was a year of ups and downs, but also of progress and hope for the healthy future of Pacifica Radio in Southern California.

This was the year that will go down in KPFK history as having had three managers! As you recall, Susan Anderson left in April and I stepped in as Interim General Manager temporarily until we could find a new manager. Well, the weeks stretched into seven months. By the time you read this Folio, I will be happily doing just one job as Executive Director of Pacifica. And, beginning the first of the month, Tarabu Betserai is the new general manager. Tarabu is a twelve year member of the Pacifica family at sister station KPFA in Berkeley. He has just moved down to Los Angeles to join his new family . . . he just married Los Angeles singer/dancer Nobuko Miyamoto. Tarabu has agreed to

renew his contract a year from now! Despite a very long and difficult search process, we now have a general manager that has the full and unanimous support of the station. We are anxious for all of you to welcome Tarabu. To that end, there will be a welcome reception tentatively set for December 5th in Studio Z from 5-7pm. Please stay tuned to 90.7 FM for confirmation of date and time. Again, we are delighted to have Tarabu's talent, energy and leadership at KPFK.

Despite difficult times and many transitions, KPFK has made enormous progress in 1986. Some of the highlights include:

- The highest dollars pledged since the Watergate Hearings during our June Fund Drive.
- The most stable operations of the station in many years.
- The installation of new subscription hardware and a Pacifica-wide software system.

- The addition of new energy, expertise and diversity on the station board.
- The major improvements in the quality of leadership among the paid staff.
- The beginning of a long process of healing the wounds of internal struggle and strife.
- The talent/expertise of consultants Norman Jayo, Beatriz Lopez-Flores and Nan Rubin.
- The success of the First Annual Johnny Otis Red Beans & Rice Cook-Off.
- The new roof and air conditioning/heating system for the station.

And, too many more accomplishments to mention were made by a very hardworking and dedicated staff, with the critical help of all of you. From those who went up to Mt. Wilson and cleared the brush around the transmitter/tower to daily volunteer switchboard operators, from programmers who spend hours researching and producing their programs to those who stuff envelopes and clean the flower beds, all of you have helped to set a new tone and develop an infrastructure that will allow KPFK to take its rightful place as the voice of peace and understanding among all people.

This is not only my last column before Tarabu takes over, but my last month as Executive Director of Pacifica Radio. I would like to give my personal thanks to everyone who made this six year journey possible. I leave with a sense of accomplishment and a faith that the people in leadership today will continue with the same convictions of our founder, Lewis Hill, and also with an ear for what will work to take our messages forward into the 21st century.

In looking back on 1986, the one real tragedy, of course, was the untimely death of Mike Hodel. We are doing our best to carry on Mike's dream and progress at KPFK is the best tribute to his many, many years of dedication. We are making it work and KPFK is beginning to flourish once again. Mike would be proud. Rest in peace, dear Mike.

And, finally, have a very safe and happy holiday season. Our community, country and world are more troubled than ever, and it takes all our best endeavors to make a positive change. The very best to all in 1987.
